from graduation to careers: empowering students & alumni

Due to a number of factors including increased campus outreach, partnerships with academics, marketing and student awareness of the challenging job market, Career Services saw attendance gains across the board.

- Over 80% of UA undergraduates and 40% of graduates used Career Services last year
- Non-unique usage of Career Services topped 427,736.
- UA Career Services website visits jumped 37% over previous year to 2,518,834.
- UA Career Center visits rose 12% over last year, exceeding 251,000.
- Career Services outreach through presentations rose 23%, reaching close to 9,000 students and alumni.
- The Wildcat JobLink job posting and campus interviewing online system registered close to 18,000 students and received more than 200,000 visits last year.
- Students seek personalized services from Career Services. The career center attracted almost 265,000 in-person visits in the past year and 3,000 counseling sessions conducted by just four (4) counselors.
- 3,500 students attended career fairs in 2010/2011 and attendance trended up over the five-year period.
