Campus Interviewing: When interviewing at Career Services in the Student Union Memorial Center, park in the Second Street Garage, located Northeast of the Student Union. Enter the visitor’s gate from Second Street. There is a $10.00 fee per day.* Gold and Platinum level Partners will have their parking validated.

Please note: the garage normally fills by 8:15 am. If the garage is full when you arrive, parking is also available at the Tyndall, Main Gate, Park and Highland garages.

Career Fairs: Parking during a Career Fair is handled differently. Please refer to our Web site at www.career.arizona.edu/docs/maps/csmap_fairs for a map that has been specifically developed for Career Fair parking.

* The parking garages accept Visa or Mastercard. They do not accept checks or debit cards. ATMs are located inside the Student Union.
